(This Notice Expires 11 October 1983)

12 July 1983

OFFICE OF COMMUNICATIONS NOTICE NO. 33-83

SUBJECT: Establishment of OC Management & Liaison Staff

1. Effective 11 July 1983, there is established an Office of Communications Management & Liaison Staff with routing symbol OC-MLS. [redacted] is assigned as Chief, OC-MLS and is located [redacted]. He can be reached on secure [redacted].

2. Concurrent with the establishment of the Management & Liaison Staff, the OC Programs & Budget Staff, the OC Planning Staff and the OC Engineering Division, Systems Integration Staff are abolished. [redacted]

3. Specific statements of the MLS mission and functions will be published soon. In the interim, the staff will perform all functions formerly assigned to OC-P&BS, OC-PS and OC-ED/SIS. In addition, the staff will: monitor all requirements for Office support and assess their impact on OC resources; prioritize existing and future support requirements; manage programs that cross Office organizational lines (such as CRAFT); monitor Office liaison activities; arrange and/or conduct representational briefings; and develop an architecture for a full-time, full-service, all-source survivable CIA communications network. [redacted]

4. The Management & Liaison Staff will consist of three groups. These officers will serve as Group Chiefs:

a. [redacted] is assigned as Chief, Systems Integration & Network Architecture Group (OC-MLS/SINAG).
